

# VERNACULAR VIDEO MISSION INTERNATIONAL

## 2019 ANNUAL FINANCIAL REPORT FOR DONORS

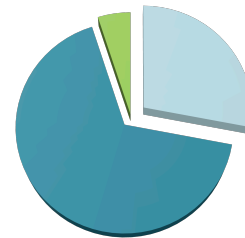

**Clockwise from upper left:** After flying into a remote jungle area, a film showing team in Colombia, South America, is seen hiking to a village where they'll share Deditos Bible story videos. These Colombians are allied with local churches and VVMI partners AEILMAV and Viña Association. In 2013, VVMI was part of a joint project that helped provide the first Deditos ever in Colombia. This was for the Nasa people group. Since then, the Colombian Church has taken up the challenge of helping all the indigenous people groups of Colombia have Deditos too! ■ A pastor-evangelist partnered with the VVM "Church Mobilization Initiative" baptising a new believer in the northern Philippines. People coming out of spiritual darkness are especially hungry for God's Word. ■ A VVMI short-term trip team arriving in the Philippines in February with equipment for VVMI partner ministries VVM-CMI and VMN. They went on to serve as part of a medical mission/local church/VVM-CMI outreach partnership where over 300 people made spiritual commitments. ■ The VVMI exhibit at the International Conference on Mission (ICOM) held in Kansas City, Missouri, in November. Praise the Lord for the many individuals and organizations with which VVMI was able to interact.
